

# JIRA Violet Science Theme

The "JIRA Violet Science Theme" extension tunes up the look and feel of JIRA. It has been created from a [free web template](http://www.websitetemplatesonline.com) from <http://www.websitetemplatesonline.com>. Special Thanks to the designer!

## Features

- Restyled header and footer area with a big banner on dashboard
  - The Dashboard header text is changeable via the extension properties
- All other pages don't have the big header
- Fixed width to 1000px
- Redesigned navigation bar

## Extension Properties

Property	Description
header.text.big	The big banner text on the Dashboard header
header.text.small	The small banner text on the Dashboard header
